

PHOTOGRAPHY

EXPLAINED

Learn photography from a professional no matter what your skill level! I am offering private photography lessons in the Plainfield, Avon and Danville area. I will provide one on one instruction with your camera equipment (or use my loaner DSLR). Take non blurry pictures of your kids, pets, etc. Learn about post processing with Adobe Lightroom. Session topics will vary depending on your skill level. We will go on site and take photographs of what interest you. Contact me if you or someone you know would be interested!

1 hour introductory session \$65

2 hour advanced sessions 1 for \$140, 2 - \$260, 3 - \$380, 4 - \$450
